This is the Felixstowe & Walton United Reserves second season in the Thurlow Nunn Division One North (Step 6) after entertaining in 2018/19 as the first team got promoted to Step 4 (Isthmian League).

It was a tough start to the young reserves last season but hope to establish themselves in the league during 2019/20.

Kevin Baker was named as manager during October 2019.

Management

Kevin Baker
Reserves Manager

Kevin started his adult football career as a Seaside at Felixstowe many years ago! He then played for Colchester after spending time at Ipswich Town with George Ainsley and Bobby Robson and Nottingham Forest in a time when they were winning the European Cup (Champions League).

Kevin has locally played for Ransomes and Brantham before settling down in SIL football achieving a couple of Senior Cup Finals (1 with Gary Flapper Hammond). After a long playing career he hung up his boots at 42 and moved into coaching U12s through to 18. He then spent 8 years at Ipswich Wanderers U18s. Kevin moved back to Felixstowe last season with Dean Porter to run U18s. Kevin is now manager of the Reserves and helping our young players progress to first team duties.
